

制表日期	2026年7月
灯具名称	9000LM 巨幅云控动漫广告投影机
规格型号	LS-DG900
适用场景	适用住建筑出入口立面、商圈广场墙体、景区游客中心、隧道口、社区小区周边载体等户外亮化场景
项目信息	

效果图

The image is a composite of two parts. On the left, a tall building, the New China Building, is shown at night with its facade brightly lit. Large vertical Chinese characters '临指导交济' are visible on the building's exterior. On the right, a white smartphone is displayed, showing the 'New China' app interface. The app screen features a dark theme with a line graph at the top, followed by various data points and a table of information. The table includes columns for 'Name', 'Age', 'Gender', 'Height', 'Weight', and 'Blood Pressure'. The bottom of the screen has a navigation bar with icons for 'Home', 'Search', 'Add', and 'More'.
